

## ARMCHAIR CHRYSLER

Code: 1086

Description:  
design Leonardo Dainelli

cm. L/W 117 - P/D 104 - H 50/79

in. W 46.1 - D 40.9 - H 19.7/ 31.1

Frame: for the weight-bearing sections, we use multi-ply wood and solid wood. For the base of the upholstery, high-quality polyether foam is used.

Cushion upholstery: high quality polyether foam on webbing.

For the seat cushions, we use a core of high-quality polyether foam with sectioned down.

The seat cushions is with small holes for better air circulation.

The back cushions are sectioned off and filled with down.

This model is only available in leather or in plain-coloured fabrics.

Legs covered with fabric or leather.
